# President's Message

## Highlights of 2013-2014

- The Board retreat for the newly elected officers was held June 8, 2013, one day following the first opportunity to speak publicly on behalf of LWV-CC during the June 7 Texas State Senate Select Committee hearing on redistricting held in Corpus Christi. Goal setting and calendaring were the focus of the Board retreat. Two important goals for the new year were increasing membership from the current 79 to at least 100 and a fund-raising target of at least \$6,000.

- The Women's Equality Day event in August was the "kick off" for our year. We had a mock "Challenge" game with teams representing LWV-CC and Government students at TAMU-CC. The League team lost by the narrow margin of 2 points to the student team, thereby earning the students a free year's student membership in the League. Funds raised by the celebration and very successful silent auction went to fund the printing of Voters Guides prior to the November and March general elections. Also in August, the LWV-CC cosponsored an Institute for Public Leadership with the YWCA and AAUW which featured information to assist women running for public office and advice from those who have served.

- We had two successful voter registration events in September. The first was on September 6 during the first Friday Art Walk, thanks to volunteers Andrew Dimas, Sally Farris, and Stacey Barrera. The second was at TAMU-CC on National Voter Registration Day

when we joined more than 200 other local leagues across the country in registering new voters. Volunteers for that event included Pat Parr, Pam Maupin, Ruth Falck, Bryan Bode, Hannah Chipman, Lois Huff, Bailey Landress, and Barbara Vollmer. Thanks to everyone for their time and energy!

- Our October membership meeting centered around a presentation by Council member David Loeb regarding the Destination Bayfront proposition which appeared on the November ballot and was defeated. Only 11% of registered voters turned out to vote.

- At the LWV-TX 2012 state convention, Human Trafficking was selected for statewide study by all the local leagues in Texas. Our LWV-CC had presentations by Blue Nation, and many members attended the summit on Human Trafficking sponsored by State Rep. Todd Hunter. At the League's November membership meeting, we reviewed and reached consensus on questions developed by the LWV-TX study group. This consensus process has led to position statements enabling local leagues to advocate, agitate, and educate using the agreed upon position statement.

- Once each year, our League reviews past position statements, (Program) in order to determine if the position needs to be reviewed and updated. The outcome of that session in January was a continued consensus on the issues relating to

Sandra Heatherley

Natural Resources and Local Government and a need to re-study the Bayfront Master Plan and the Public Transportation System in the coming year.

- Thanks to all the members and participants who contributed to the success of the February 10 Candidates Forum at City Hall. We had co-moderators from **Delta Sigma Theta** and **Leadership Corpus Christi Alumni** and a large, expressive audience in attendance. The forum was broadcast live and then aired four more times during the month of February on public access stations, and is now on YouTube. The Primary election Voters Guide for Nueces County was printed and distributed February 13-17 to all local libraries, County Courthouse, and city halls within the county. In addition we ordered and distributed the LWV-Texas Voters Guide, which featured candidates running in opposed statewide races. Chris Garcia and Sandra Heatherley were coached through their first attempt at entering all Voter Guide responses from candidates into the VOTE411.org database.

- President Heatherley met with US Congressman Blake Farenthold (R-District 27) on March 18 in Corpus Christi to discuss the LWVUS national position on the Voting Rights Amendment. Ms. Heatherley represented those

Leagues in the Congressman's district since he serves on the Judicial Committee which is currently considering the bill. A letter written by Elizabeth McNamara, President of LWVUS and sent to all Congressmen on January 23 supporting H.R. 3899, was the basis for the discussion. The meeting was cordial and Mr. Farenthold agreed to review the letter again. Also in March Mr. Gus Gonzalez, assistant city manager for utilities and department head for the water department, exceeded our expectations in his presentation about the "Water Management Strategies for Corpus Christi."

- In April, we co-sponsored a breakfast event on April 8 at the YWCA which highlighted Equal Pay Day. On April 12, several members volunteered to assist with the voter registration table at Earth Day/Bay Day in Heritage Park. On April 24 LWV-CC cosponsored a public forum with the *Move to Amend* Coalition by hosting speaker David

Cobb who gave an informative presentation and call to action at Del Mar College with 70 folks in attendance. At the end of April, three LWV-CC delegates attended the 2014 LWV-TX State Convention where we were recognized for increasing membership and active community participation with other organizations in the area. Former LWV-CC president Chris Garcia was elected to a third two-year term on the state board and will serve as Secretary.

- May isn't even over and we have already registered six new voters at the May 2 Art Walk and met to help plan a June "sit in" at City Hall to promote the Move to Amend initiative with the City Council. Some of our members also have volunteered to help at the National LWVUS Convention being held in early June in Dallas.

All these accomplishments bring us to the 69<sup>th</sup> annual meeting of LWV-CC!

## Board Vacancy Announced

The Nominating Committee was unable to confirm a nominee for the two-year position of **Secretary** of the League. The Secretary is responsible for attending and taking written minutes at all monthly Board meetings, transmitting the minutes electronically to all Board members for review, recording attendance of officers at Board meetings, and handling correspondence as needed, as directed by the President.

If you would like to learn more about this position or if you would like to nominate yourself to serve as Secretary, please contact President Sandra Heatherley at **445-4436**.

Special thanks to Dr. Matilda Saenz for serving as League Secretary for more than two years!

## Can You Help Man Table at June 5 ArtWalk?

The League will continue to man a table at the monthly Art Walk downtown on the first Friday of each month. Our goal is voter registration and League membership recruitment. Can you help man the table on Friday, June 5? Hours are 5:30-9:30 p.m., and it's a fun evening. Requires no advanced training! Call President Sandra Heatherley at 445-4436 if you can help on June 5.
